

VETERANS DAY PROJECT

At the 2012 SCOPE Auction ***“Anchors Aweigh”*** we would like to pay tribute to the men and women in our Star of the Sea community who are serving or have served in the Armed Forces. On Thursday, November 10th, the school will host a Veterans Day assembly at 2:30 P.M. honoring service members in our community. Classrooms are encouraged to discuss the importance of Veterans Day and identify family members with a military service record.

Each student is asked to take this form home and with the help of parents, record the names of family members (immediate and relatives) who have served. Details such as branch of the military, rank and/or years served can be included if you wish. Once gathered, the names will be incorporated into a prominent display at the auction on February 10, 2012.

All Star of the Sea students benefit from the SCOPE Auction. This project is an important means of raising the profile of the auction for the students and giving them an active hand in its composition. The SCOPE Auction team looks forward to your participation in this project. Forms may be turned in to the school office or emailed to auction@sosbremerton.org during the month of November.

Thank you.
