PROCUREMENT

Many families have completed their donation. To them: many, many thanks. Plenty of families have yet to fulfill their requirement. It is vital that donations get turned in soon so that items can be packaged, catalogued and publicized. If you know what you are donating, bring the item or the idea to the SCOPE office as soon as possible. If you have no idea what to contribute, stop by the SCOPE Office for suggestions. We have a number of packages that need to be completed with the addition of hotel stays and restaurant certificates. Many ideas are still available on the display in the school office. Grab an idea, or use the suggestions to come up with your own unique item.
