

Accessing Parents Web

RenWeb School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the internet.

RenWeb's Parents Web is a private and secure parent's portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You may view your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an internet-capable computer.

Here's how to access our easy-to-use **Ren Web Parents Web**:

- Make sure that the school has your correct email address in RenWeb.
- In Internet Explorer, Firefox, or Safari, go to www.renweb.com and click **Login**.
- Type the school's **District Code: OL-WA**
- Click **Create New Parents Web Account**.
- Type your email address and click **Create Account**. An email will be sent which includes a link to create your Parents Web login. The link is active for 6 hours.
- Select the **Click to Create Your Parents Web login** link.
- A web browser displays your **Name** and RenWeb **Person ID**.
- Type a **User Name, Password, and Confirm** the password.
- Click **Save User Name and/or Password**.
- A message displays at the top of the browser, **"User Name/Password successfully updated."**
- You may now log in to Parents Web using your new User Name and Password.
- Parents Web allows you to access:
 - Student attendance and daily grades
 - Progress Reports
 - Test dates, assignments, homework
 - School events
 - School Newsletters
 - Parents Club and School Commission meeting minutes (beginning October, 2016)
